Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for the Madison Avenue from 23rd Street to 27th Street Resurfacing project in surface transportation reauthorization legislation.

The project sponsor for this project is Ed Hagnauer and the Granite City Government, and the project is located at Madison Avenue between 23rd Street and 27th Street in Granite City, Illinois 62040.

The funding is designated for the project that will resurface a high-volume road, update sidewalk and crosswalks along Madison Ave to be Americans with Disabilities Act compliant, and provide new driveway aprons to the residents along Madison Ave.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. It will ensure that a main thoroughfare in Granite City is compliant with the Americans with Disabilities Act. It will also improve the road conditions which will increase the safety of the street.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Bost
Member of Congress
