Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$1,200,000 for the Village of Pontoon Beach Street Improvement Project in fiscal year 2022.

The entity to receive funding for this project is the Village of Pontoon Beach located at 1 Regency Parkway Pontoon Beach, Illinois 62040.

The funding would be used by Pontoon Beach to remove existing pavement and six inches of subgrade, then replace the subgrade with compacted aggregate base course and 8 inches of concrete pavement.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. The pavement failures will continue to grow and worsen over each year's freeze and thaw cycle. Poor pavement conditions present a hazard to the safety of the travelling public and discourages new residents and developers from moving to the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Bost
Member of Congress
