Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$1,600,000 for the Woodlawn Road Overpass Project in fiscal year 2023.

The entity to receive funding for this project is the Jefferson County Highway Department, located at 750 Old Fairfield Road, Mt. Vernon, IL 62864.

The funding would be used to reconstruct and resurface the approaches to the Woodlawn Road Overpass and resurface the ending at Richview Road.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. This project benefits the community by providing a safe route for the traveling public. This is Phase 2 and final for this corridor project connecting Route 15 through Richview Road. This route serves 1350 vehicles per day and has received wide community support.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Bost  
Member of Congress
