Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$11,112,492 for Randolph County Jail Renovation and Expansion in fiscal year 2023.

The entity to receive funding for this project is the Randolph County Government, located at 200 W. Buena Vista Street, Chester, IL 62233.

The funding would be used by Randolph County for jail renovation and expansion. The project renovates the 50-year-old facility while adding capacity for 50 additional inmates. The additional capacity will help relieve the shortage of space for local and federal inmates.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. The new facility will maximize the use of taxpayer dollars by reducing maintenance costs, and the county jail provides space for all the cities and villages of the County, saving them money by not having to build and operate their own holding facilities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Bost  
Member of Congress
