Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for the Alton Avenue Reconstruction project in surface transportation reauthorization legislation.

The project sponsor for this project is John Hamm III and the City of Madison, and the project is located on Alton Avenue in Madison, Illinois 62060.

The funding is designated for the project which is seeking reconstruction of the pavement to provide a truck route to the city's industrial area. The project will provide a pavement designed for a truck route that can support semi-truck traffic without being damaged.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. The project will allow the community further economic growth in the city especially in their industrial area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Bost
Member of Congress
